

Mrs. Langley - Week # 12 June 22 - 25

Group 1 At school Mon./Tues. and will be bringing homework for the rest of the week on Tuesday.

Group 2 on Monday and Tuesday can work on this

These students will be bringing homework on Friday (June 19th) for the following Monday through Wednesday.

Language Arts	Math	Other
Landform booklet - The local landform booklet is about the land they created. They get to be creative and come up with the information.... It is about their land. When the booklet asks about important facts they can make them up. You can relate it to the articles I put on the website about our area. A fact could be ... The lake has a perimeter of 26 km, or The peninsula is a popular camping spot in the summer. Be creative	# of the day Keeping Skills Sharp Booklet	Learning From Home

Group 3 -You can pick a package up outside the office on Monday. Please work on the following.

Language Arts	Math	Other
Last Grade 3 Writing Assignment (We talked about it on June 17 th - Check the writing section of the website) Please send me a picture Read for 15 minutes day Read assigned book on EPIC Listen to Guinea Dog 😊	Monster Math Sheets # of the day Keeping Skills Sharp Booklet	Learning From Home Package

On Thursday June 26th we will be having a class beach party for everyone! I will send a link out to those at home so they can join us. I am encouraging everyone to dress for the beach - shorts, hats, sunglasses, beach blankets, water bottles! This will just give us one more chance to be together to end our grade 3 year 😊
